“ *I have known John for 45 years. We were in the Marine Corps together, lived in Santa Rosa at the same time, and both moved back to the Midwest about the same time. We have had many crazy and hilarious times. He was one of my best friends and I will miss him very, very much.*

“ *First time i met John I was with Mike Brown and the 3 of us went pheasant hunting. He was easy to like right from the start. After that fist meeting many fishing trips to the river took place. A few times I took my son Nick along on those fishing trips and Nick couldnt stop talking about John. He left a good impression on my son many times. I will always remember his smile and all the times he made me laugh. John was a good man. He will be truely missed. Rest in peace mu friend. Rob Trotter*
