“ *Just found the obituary. I have known both Johnny (father) and his son Johnny since 1987. I was a phlebotomist and regularly drew their blood donations. They are both angels and saved many lives over the years they donated. Hard to find nicer people. God Bless the entire family. We offer our deepest sympathies. Teresa & Chris*

“ *Our deepest sympathy and prayers to the family. I admired and respected your Dad my entire life. I can't remember the first time I met him I was too young. He was a great role model to me and I will always remember him for his kindness and understanding. He took Jerry and I horseback riding many times and would sit in the car and read the paper until we finished riding. The camping trips to the lake, and Roaring River, and the times they came to my folks house at Beaver Lake. Those were all great memories.*
