“ To Jon, Rest in Peace my friend. I love you and you'll always hold a special place in my heart. I'm sorry I couldn't say goodbye. I know you're in heaven watching down. I will see you again my friend. Love you, Angela

“ Judy I am truly sorry to of heard about Jon's passing. I was only 3 days older than Jon aka Boner. I have lots of memories with Jon and Chris both. I saw him not long ago at the gas station in Turner and he told me he had cancer. We must of stood outside and talked for like an hour or so. Me and my brother Glenn wanted to tell you how sorry we both are for your loss. If you need anything please let us know. I hope you know we loved the whole family. I'll keep you in my prayers.

“ Judy, my heart goes out to you and your family. My boys grew up with your boys and spent a lot of time together. Jon Jon was very special to our family. We will always have fond memories of him. From the boys playing baseball together to camping in the woods (and we will never know what went on in their camping outings, and probably don't want to know) If I can be of any help, please let me know.
