“ *I was so sorry to hear of cousin Jorge's passing. He and the family are in my prayers. May you R.I.P. I always think of that time when Jorge and Esther were dating. We were at Mom and Dad's house. He was telling us all how he and Esther went to Paul's Drive-In while on a date and he ordered their food and asked for two large drinks. He said the worker asked was he sure he wanted the large drinks a couple times, Jorge got a little peeved and told them Yes! I WANT two large drinks. Well when they brought their food and drinks out. Jorge said he looked at the drinks surprised at the size of them and told us wow those large drinks were like big barrel sized and he knew then why they kept asking him are you sure? We were all laughing at this, at the way Jorge was telling us and it was funny. We will miss him, RIP Jorge.*
