“ *Bud was such a joy to be around. He was a fixture at The Bickford entrance there to say hello to on your way in and there to say good night to on your way out. He always took an interest in the puzzles we were working on and always told us to drive safe. He was a true gentleman and is very missed.*

“ *Bud & Marie are a wonderful memory to me. I grew up next door to them, watching My beautiful Aunt Donna & Marie through their teen years. It is certain they found me a pest; that little barefoot girl next door, oh ...they were so kind. They even let me watch in awe as they painted their fingernails.*

I remember their weddings, & cried with them at the passing of your little sister. I watch every year as they faithfully placed flowers at her grave. But their sorrow turned to joy & grateful & proud having their Sons.

Today I shed a tear with you, but that's selfish because I also know the joy/ victory they have found together with out Heavenly Father
