“ *if we needed anything Joe was there for us. He did everything he could to help his brother . if anything needed to be fixed he would be there as soon as he could. He was our plumber, painter,electrician and handy man. He has helped both my daughter and son, and all my grandchildren fixing cars and even teaching my granddaughter how to dance. We were so lucky to have him in our lives. i will miss you Joseph Pacheco*

PS

“ I never knew Joe but I knew him from the pictures of the two of you laughing and having so much fun. The look in both of your eyes showed the love you all had.

My heart aches for you and please remember you are in my prayers.
