“ *close to the first time i met Joe and betty, it was summer and they were having a cook-out at Jesse's house ( there home now) and we pulled up and there was loud music going and i truned to their nephew and asked where the Carnival(?) was.. (yes i was serious) I was told laughing that it was joe's music.. I don't know if anyone knew that i had said that or not, however now they do. I hope everyone will have peaceful hearts now that his struggle is over... Pollyann*
