In Loving Memory of Joshua Paul Aguilar

It is with deep sorrow that we announce the passing of Joshua Paul Aguilar, a vibrant soul who

departed this world at the age of 34 while pursuing his passion for free diving in the coral reefs

of Mexico. Joshua embraced life with the exuberance of a child, finding joy in swimming with

turtles and immersing himself in the beauty of the water.

Joshua was not only an adventurer but also a brilliant software engineer, showcasing his talent

in the ever-critical realm of cyber security. Before that, he served as a skilled RN emergency

room nurse, demonstrating compassion and dedication to those in need.

A warrior for Christ, Joshua radiated a luminous spirit that touched everyone fortunate enough

to share in his presence. Through trials and tribulations, he discovered genuine love and

became a beacon of light for his family and friends.

He leaves behind a legacy of love, survived by his wife, soon-to-be son, mother, father, and four

sisters and their families. Joshua had dreams of writing a book that harmonized occult

teachings with the divine word of God, passing on his wisdom to his son by teaching him

coding, swimming, fishing, and instilling a profound love for the Lord.

In his final moments, Joshua expressed sheer happiness, leaving us with a poignant reminder of

the joy he found in living life to the fullest. May his memory inspire us all to embrace each day

with the same passion and enthusiasm that defined his remarkable journey.

A memorial service in honor of Joshua will take place on Saturday, December 30th at Maple Hill

Funeral Home, located at 3300 Shawnee Dr, Kansas City, KS 66106. The viewing will commence

at 10 a.m., followed by a ceremony from 11 a.m. to noon, where we will come together to

celebrate the life of a beloved husband, son, brother, friend, and unwavering disciple of Christ.

In lieu of flowers, the family kindly asks for donations to aid in covering the costs of

expatriation.

Joshua's sudden departure leaves a void that cannot be filled, but his spirit will endure in the

hearts of those he touched. May he rest in eternal peace.

A celebration of life will be held on December 31, 2023 from 4:00 - 8:00 P.M.

at the Agricultural Hall of Fame located at 630 N 126th St, Bonner Springs, KS 66012

“As immigrants from Nigeria, there are not many folks here in California who we can call true friends and buddies. However, when we met Josh at Foursquare Church in San Jose (California), we knew we have found a dear friend. He loved my family. My little 6 year old was amazed at Josh's athleticism. He would say, "Daddy, Josh can jump the pole as skillful as a monkey". When we got to know Josh better, I was inspired to learn about how he transitioned from a career as an emergency nurse to software engineering. This was amazing to me. I have never heard anyone who could make such a drastic career change. When I got close to him, I learned how he would take time off from his nursing job to audit computer science courses at Stanford University. He even got into coding/hacking challenges at the same university where he was not even enrolled. This was impressive to say the least. I was also happy when he and Ann's opened their home to the regular Monday Bible Study (home group). How he loved and adored Anna. Everyone who met them together could tell. He always spoke about his inlaws, parents, and sisters. I cannot imagine the sorrow they are all going through at this difficult time. Josh was an amazing man and a loving soul. He will be greatly missed by my family and all those who know him. My condolences to Anna and all those who loved Josh. I am so sorry for "our" loss.

“ I just found out about Josh’s passing. I am terribly sorry for the families loss. I know he talked about his family all the time while we were in nursing school together. Josh was a sound friend during those 2 years and I am so thankful to have gotten to know him. To his wife, praying for you and so thankful he had you. He truly looked happy with you and I had hoped to meet you one day. Josh will be missed dearly.
