“ Moma, meet your namesake "ALICIANA DELAINE"!! Isn't she beautiful. You'd be so proud of your granddaughter, Casandra. She's an amazing mommy! I also put a picture of my sister and I to let you know what an amazing momma you are and how much we appreciate everything you've ever done for us. Like give us life! And we couldn't be more proud to call you our mom! It all seems so surreal still. We love and miss you and daddy so much and I hope your resting easy up there! I also put a picture of all your great grandchildren, even though some never got the chance to meet you, I promise they'll know all about you! I'm sure you already know but Evelyn talks about you and daddy almost on a daily basis, and loves to visit you both! That shows what an impact you make on people's lives, in just her 3 years of life she got to know and loves you both so much.. Please continue to watch over us all and we hope we're making you both proud to be our parents! We miss and love you so much! 💋 muah xoxo
