What a wonderful, dear friend Juanita was. She loved deeply, thought of others first, was kind, caring and thoughtful. I will miss my dear friend, but know she is now in Jesus' arms, free from pain. Kenny, Nicki, Aaron and Georgie, you have been her rock and her reason to live. You will always be in my heart and prayers.

“ *I was never her family, but my brother and sister are her children. Even though we weren't blood she always made me feel more than welcome when I visited. She always took the time to ask me questions about what was going on in my life and made me feel like I belonged there. She was a good mother, but an even better grandmother, the love she had for my nephew was unparalleled. I know it sounds silly but I'll always remember how every time I would leave, she'd lovingly remind Georgie, "Give Uncle Chris a hug" It always gave me a warm fuzzy feeling. She will always be missed by me, and I'm sure many others.*
