“ *I was sadden to see that Ruth had passed. She was my mother's friend. I had met her and played cards with her and my mother several times. Her sister Trudy was also my mother's friend she was funny lady to be around always made me laugh. I know that heaven is laughing a lot to have Rurh, Trudy and Ramna (yogi) up there now. I miss my mother but I'm happy to know she has friends with her till I join her someday. My prayers are with her family and friends.*

“ *I will always remember how lucky I felt to be a part of your family. One thing in life I always wanted was a big family. I always enjoyed when everyone would get together. I remember the picnics that included Delores, Trudy, Ruth, Grandma all the cousins...spouses and all that could make it. The laughter and sense of being loved and welcomed with open arms was tremendous. For all that did not know her you missed a truly remarkable lady. She will truly be missed. My heart breaks for all of you. RIP Aunt Ruth. You will remain a piece of my heart as long as I live. Love you.*

“ Praying for you all.. this spirited soul was an absolute pleasure to know! Never a dull moment, she made my days with KCKPS a bit more bearable. As, she would encourage me with her words and beautiful cards, I'm the one who was blessed to know her. Although co-workers she would often end our conversations with "love ya kiddo". So, I say, rest well Ms. Ruth, love ya kiddo".

“ My heart breaks, as we approach our final hours of your departure from this earth. You raised me to be strong, be kind, and be sensible. But you didn't teach me how to live without you. I love you, Mama... Your Baby Girl.

Cyndi want to express my sincere condolences to you and your family. Ruth and I had some good times at West. You couldn't find a better person than your mom. May god continue to be with you and your family. He will take you through your darkness hours and brighten your days. You are in my prayers. Love Delores 🌸
