“ *When we were little , it was shopping on Saturdays with you and mom, we shopped till we dropped.
I'll always remember your noise, the one you made, when you found out exciting news, or saw something interesting, that "ahh" sound. You always had the best candy to steal. Lol And I'll remember when you who get frustrated with one of us and call us another grandkids name a few times before you found the right name. I will cherish the memories I have of you. I love you, Grandma.*
