“ Willene, you have been a beautiful sister-in-law bringing sunshine to everyone you touched. We have been so blessed to have you in our family. Even tho we live so far away, the times we spent together are treasured memories. You have a wonderful family who will stand in the gap showing God's Love and continuing on with all the good lessons you left with them. You and your husband (our brother) Don have been a true example of a Christain Marriage of true Love. The tears we shed missing you, will also turn to joy knowing that you are with Jesus and someday we will see you again.
Love, Leigh and Louise

Willene will always hold a special place in my heart as she made Harmon High School a kinder and more gentle place to work . I'm sure we didn't tell her often enough how much she meant to us--I know I didn't, but she held our staff together through the storms we weathered and the joys we shared. Even though we didn't spend time together outside of work, I hope she knows that I love her and will miss her dearly. I know that she is resting in God's arms smiling down on us. I pray her family God's comfort and peace.
