“ Howard was a brother, friend, teacher among many things. I will always miss him and forever enjoy the time that I was able to be around him. Tommy and I did a lot of growing up together under Howards watchful eye. As my sister stated, there is a hole in my heart as well. I will always miis him and love him as a brother.

“ Howard, I know you can hear me, you were my best friend and I loved you like the brother I never had. You were always doing something for others which left you little time for yourself. Your family always came first and I know how much you loved them. We will meet again someday. God will see to that. I miss you dearly.

“ Bobbie, I am so sorry to hear about your loss. I will miss seeing him drop you off and pick you up at work. I've always thought to myself, such a "cute and happy" couple. You are in my thoughts and prayers. Deb Brogden
