“ You are so loved, Kaleb. You will be missed so dearly. You were such a sweet boy. I will miss your messages, your way of checking in on me because Levi would have wanted you to. I miss the days of you helping Levi and I do tree work. I remember the first day I met you, like it was yesterday. I pray you now have peace in your heart. Sending your family prayers for peace.

“ I've known Caleb since he was a little boy. I always thought he was a great kid. And I used to see him on Facebook and we'll always have little comments to make to each other. Sometimes I'll miss those like I miss him.
