“ *We love Kara and I find it hard to put so many memories of my niece into words!! My favorite thing about her was her contagious laugh!! She had a lot of one liners like her Daddy, Jim. My heart and prayers are with you all as you celebrate her life!! Uncle Allen, Aunt Cherie, Amy and Victor.*

“ I'm so proud to call you my cousin. Caleb, Luke and Amylia loved having you watch them when they were younger. Amylia wanted to be you. You were such a great inspiration and influence on them. It just proves that life isn't fair. It goes to show us death knows no age. We need to be ready at all times. I wish I had been able to get to know you better. Your mom loved you unconditionally. You will be truly missed by all. Until I see you again.

“ *Kara when your dad and my mom got married I was so excited I was finally getting a sister. In the early years we bonded over big hair and Rave hair spray number 4. You had such a quick wit and beautiful smile. Your were so funny! Absolutely one of the best sense of humors ever hands down. I love you and will miss you so much. I will miss the beauty you brought to my life. Thank you for sharing your dad and loving and accepting my mom. Heaven has gained a beautiful soul. My heart is so broken. I love you.*

“ *In my heart, you will forever be linked with my visits to grandma's house, catching fireflies in the back yard, riding to get Hardees with Grandpa, and sleepovers at Cristi's. You were the perfect combination of the power of family and friendship all rolled up into one. You had a way of lighting up every room you entered. Your light will always shine bright through your beautiful family, the memories we all carry in our hearts and every time I look up to the heavens and see those twinkling stars. I love you, forever and always.*

“ Kara, since I married your dad, I've always considered you as my 'bonus' daughter! I've prayed for you as often as I've prayed for my own daughter, bringing you before God's throne. 🙏 Thank you for the little bee necklace you left for me to find, during your last visit with us. 🐝 I understood what you were saying, without you even saying it. Heaven has gained a gem 💎 Those who are the most misunderstood are really the most unique! You're one of those for whom the world was not worthy 🌍 I can see you rejoicing in heaven 🙌🙌 We will see you soon! Love, Deb
