“ *So sorry for your loss. Karon and I spent a lot of time together growing up in LaCygne. One day we were pretty young we were playing dress up in our yard at the farm and got into my Moms Evening in Paradise perfume boy I think we emptied the whole bottle. She was a great friend and I am proud to say she was a great friend to grow up with.*

“ *We really enjoyed spending time with Karon. She was spunky, playful and so much fun. She had so much personality and she made me laugh and smile. Her love for her family was so big! She was so kind to me and so very authentic. We are so sorry for your loss. ❤️*

“ *I am absolutely crushed to see this news! 😞 She's gone way too soon! Karen was one of those Hallmark superstars who was just brilliant, dedicated and a very hard worker! I always loved working with her back in those days! I also got the privilege of knowing her outside of Hallmark as her Realtor and great friend! We had so much fun finding the perfect place for her and I loved sharing in her excitement when she got the new house! My deepest sympathy to her family and friends that loved her like I did!*
