“ From Rhonda Tyson

Our loss is Heavens gain. Kasey was a wonderful, giving, caring God fearing man that we were privileged to call friend. In 2014 when Christopher, 16 at the time, was diagnosed with leukemia our SUV's transmission was going out and not dependable to get us back and forth to Children's mercy every Friday. I put out a call for help on facebook and Kasey answered. He let us use his brand new Dodge Ram truck until ours got fixed. When it got fixed a few weeks later we tried to return the truck but he said to keep it til Christopher was through the treatments. We had the truck for close to a year. I know no one else who would do something like that. What an amazing blessing he was to us in our time of need. Later when Christopher was through the main chemo treatment and into maintenace he was granted a make-a-wish trip. He wanted to go to Pearl Harbor and was granted the wish by the foundation. His two sisters were over 18 at the time and weren't included in the trip but could go if we bought their plane ticket and covered their food costs. Our church blessed us with the plane ticket and on our way out the door that day Kasey handed me \$500 and a big hug to cover the food expenses. We were floored. But that was the kind of man Kasey Vigen was. June, I'm so sorry for your loss, but I am so excited for Kasey as he meets his Lord and Savior in Heaven. Oh what a glorious day. He ran his race and finished well. We love you June. You and your family are in our prayers. Proverbs 3:5-6
