“ Kathy "Mrs. Jaster" always to me, was my Cub Scout Den Leader (Pack 34 at Scared Heart Church in KCK). She was always cheerful, welcoming, and full of energy keeping us youngsters busy and on our toes. She was a dear friend of my Mom, Dad, and our Family - always checking up to see how we were growing up. Especially as I returned to Boy Scouts after a little break, coming to my Eagle Scout Court of Honor, and keeping tabs on high school graduation and college graduation as well. She was always so very positive, pleasant, and super supportive. No doubt greatly missed by many. Sincerest and deepest condolences from me and my family. Joe Rahija

“ Kathy was such a beautiful soul. She joined our Red Hat group when she moved to Blue Springs and was immediately loved by everyone. She was a great BUNCO hostess, and she added so much fun to our group. We will miss her so much. I was always so impressed with how well she took care of Donnie , even when her health was not the best. Her picture is beautiful, and it makes me sad that she won't be with us anymore. But I will dwell on the good times we had together, and the way she made everyone laugh. Serena Underhill
