“ *Although I only knew Kecia for a short period of time, I have never met a sweeter spirit than Kecia. From my first day at Ameriloan she greeted me with a smile and it never went away. My sympathies and condolences go to her family and may you also know that God is truly with you during these times. God Bless*

“Kecia....well one thing that comes to mind and one of many memories is one saturday she called me early to see if i wanted coffee and breakfast from mcdonalds... I told her sure come on ovr with it..when she came thru my back door she said good morning sunshine and had the biggest smile on her face and i replied good morning beautiful...and she said," i know i am...cant no one look this beautiful bald"... And we both jus laughed so hard..so it goes to show that no matter what life threw at miss kecia renee...she would put the biggest smile on her little bald head and look beautiful doing it too! I will never get it while she had to depart from me so soon, but i guess its for the better..thas what iv'e been told, but i still have her smile:)

“ *Kecia,
You were one of the most genuinely good people in this world. You would do anything for anyone and expected nothing in return. This world is now missing a great person, but heaven gained an angel. RIP, we all love you.*
