

Dr. Kelly Steven Baker

April 8, 1979 - November 12, 2025

Dr. Kelly Steven Baker, 46, of Kansas City, Kansas, passed away unexpectedly on November 12, 2025. He was born on April 8, 1979, in Kansas City, the son of Steven and Connie Baker. From a young age, Kelly was deeply connected to his mother, and that bond shaped his generous and caring nature throughout his life.

As he grew, Kelly formed friendships that lasted a lifetime. He had a remarkable ability to make people feel valued and seen. Those who knew him remember his warmth, his humor, and the way he could light up any room he walked into.

Kelly devoted his life to helping others, finding his calling in chiropractic care. His passion for healing was more than a career for him. It was a way of giving back to his community and a reflection of his genuine heart. He approached every person with compassion, offering support, relief, and kindness whenever it was needed.

Kelly loved the simple joys of life. He enjoyed cheering on the Chiefs, barbecuing with friends, dancing, spending summer days outdoors, and turning the music up loud. He was playful, outgoing, and always ready with a joke. He freely offered help to anyone who needed it, even to people he had just met.

Above all else, Kelly cherished his role as a father. His daughters were the center of his world, and he was devoted to them with every part of his being. Time spent with family brought him his greatest joy.

Kelly is survived by his daughters, Kayla and Arlie Baker; his wife, Jamie Baker; his mother, Connie Baker; his siblings, Casey Baker and wife Rachel, Carlie Gill, Zachary Baker and wife Madison, and Chase Baker; as well as many nieces, nephews, and lifelong friends. He is preceded in death by his father, Steven Baker.

A visitation will be held from 10 a.m. to 12 p.m., with a Celebration of Life beginning at 12 p.m., on Saturday, November 22, 2025, at Maple Hill Funeral Home. In lieu of flowers, memorial contributions are suggested to the family to assist with final expenses. Donations may be made through GoFundMe <https://gofund.me/d1bccface> or left in the care of Maple Hill Funeral Home.

“ I was just looking for Dr Baker's information to treat a friend of mine in Kansas City when I saw his obituary. I'm so sorry for your loss. He was a great guy and very personable. I got to know he and his wife and his daughters when they would come into his practice when he started out. I remember them tie-dying socks and traveling together. I'm sure he's going to be sorely missed. Kathy Peironnet

“ Jamie, girls and Family- I am so sorry for such a huge loss. It still feels like yesterday when we celebrated you guys at your wedding. I still remember how happy he looked that day. I hope you can look back at all the fantastic memories you had with each other and do little things to celebrate his life. I know nothing anyone says or does will help you heal or bring him back, but I am thinking of you all- you are in my prayers.
