“ I will always have great childhood memories of Gpa Skip . He had a smile and a laugh that kept everyone in the room smiling. I remember as a little girl I used to sit on his lap and he would always have something funny to say and give me candy. Those were the good old days when the whole family got together at Christmas time . Even though I didn't see ya as much as I now regret I miss those days and hold the memories forever in my heart. RIP SKIP.

“ Grandpa Skip was one of the most loyal, consistent, and loving people I know. He was a fearless defender of his family and had the gift of making people laugh. One of my fondest early childhood memories includes Grandpa sneaking me pieces of hard candy when my mom wasn't looking. When I got older Grandpa and I would sit at the old picnic table outside and feed the birds. Later when I had my son, Josiah, Grandpa became a source of joy in his life every Saturday. We love you Grandpa Skip.
