“ It was with the deepest regret to hear the news of Ken's passing, my condolences go out to his family and especially to Linda or "his bride" as he always called her at the office. He was a wonderful man whom I considered not just a coworker but a friend. I had the deepest respect for him. His always positive attitude for life was an inspiration to me.

August 15th 1998 was a special day for me, not only was that the day I married my husband but I was blessed to have Ken perform the ceremony. It meant the world to me back then and even more so today.

He will never be forgotten. God bless you, RIP Ken

“ *Linda & family,  
I'm so sorry to hear the word of Kenny passing. He was not only a great co-worker, but also a wonderful friend. His love of God and family was always at the forefront of all he did. He was a true partner in our worklife and even tho we rarely had contact after our retirement, I thought of him often and always knew he was one I could call on if needed. I will surely miss him. Rest well my FRIEND.*
