“How can we endure when trials come, as Jesus said?
Through his pain he saw the joy of better things ahead.
Though the passing years may bring us sorrow, bring us pain;
There beyond the tears, we see the life that we can gain.
To be there, feel free there, determined we remain.”

You know how we felt about you and there was never any doubts about the feelings between you and our whole family because deep down you know you were a part of it, we always agreed that we didn't have to have the same blood to be family . broken hearted as we are we all know we will see you again, love never dies, it just carries on until we all meet again
