“ *Linda, I don't believe we ever met Kevin, but we wanted to let you know how very sorry we are for your loss. I am sure it is one of the hardest things - to lose a child...no matter what age they are, your child is your child.*

*Joe Ferguson and Tom were in the 442nd CES with Gary and I used to "see you in a square" with you and Gary. Rest is Peace Kevin! Tom & Kay Peca*
