“ After meeting Kevin, I'd often stated that I hadn't had as much fun since before or during the military. There was never a dull moment with this man. Even the dull to some was entertaining or enlightening to me. I may not ride on ice as he did, but it is very different walking out to the parking lot and not seeing his bike next to mine at coachlite or allie's before we'd ride to KC's or somewhere else. Until the next ride. -Rabbit
