

Kimberley Ann Bledsoe

October 19, 1961 - September 20, 2024

Kimberley Ann Bledsoe, 62, 10-19-1961 - 09-20-2024 Kim grew up in Shawnee, Kansas and lived in Osawatomie, Kansas since the early 90s. Kim was a free spirit, pet lover, lover of music, gardener, loving parent and self-proclaimed hippy. Kim loved her music and enjoyed singing to the radio while traveling in the car and did so even the day before her passing after going to the dentist. Music offered her great comfort and strength in her many battles that may have defeated any one else. Kim also loved to cook and eat and her taste in foods covered a wide array of cuisines. Kim loved her cats, dogs, and other animals that she cared during her time she spent on earth. Kim is proceeded in death by her husband Michael Allen Bledsoe, her son Justin Edward Baldwin, and her parents Louis Edward and Nancy Rose Henderson whom she now joins once again. She joins these loved ones in the presence of the Heavenly Father in a place without strife, pain, or suffering and rejoices in eternal heaven. Kim taught her children to not be afraid for it is fear itself that chews them up if they let it. Kim is survived by her son Marvin Baldwin Jr, granddaughters Diamond A. Baldwin, Topaz X Baldwin, Onyx Kimberley Baldwin, grandson Malachite S. Baldwin, stepchildren Jenna and Joshua Bledsoe, as well as, her brothers Louis "Bucky" Henderson and James Shawn Henderson and the many nieces and nephews. Kimberley was loved and will be missed. We rejoice that Kimberley no longer has to live in pain and has gone home. "Death is not the important thing. It is whether you were loved or not. That is what people think about at the end of their lives." Kimberley's

celebration of life will be held at an undetermined time in the future and donations for Kimberley's final expenses are appreciated. GoFundMe link for both Kimberley' and Justin's final expenses is below.

“ I went to elementary, junior high and high school with Kim. Through all of those years she was kind to everyone, happy, and fun to be around. It is sad to hear about the passing of someone so wonderful. I hope that her family knows that even as a young child and through all of her school years Kim was great and humble.
