“ *December 26, 2019*
I worked with Kim at a dental office in Prairie Village for several years. She was a very studious person but had a great sense of humor. Kim was a meticulous hygienist and had a " Kim only " group of patients. I have lots of sweet memories of those years and working with Kim.
She endured and fought her illness with her ever present class and grace. Rest in Heaven Kimmy,
Your old pal and co-worker Teri P.

“ Kim had the most giving and loving spirit. She made those around her feel special and important.

She had a real zest for life, with the love of her life Bob, she enjoyed sailing, exotic vacations and an active member of the Kansas City Triumph Club.

She will be sorely missed by all those who came into contact with her. At this time may the wonderful memories of Kim sustain and strengthen her friends and family.

“ *Kim was a Nu Zeta Chi Omega Sorority Sister of mine, and beloved by hundreds of her sisters in college. She always had a beautiful smile and positive outlook, and brightened any room when she walked in! I know I speak for all her sorority sisters and express our love, prayers, and condolences to Kim's family. 'Our friendships are worth all the treasures on earth, that will last till eternity. How truly we hold something precious as gold, Chi Omega fraternity. As we go on our way, may we think of the day, when we'll always be in God's company. May sister be strong, may she echo our song, Chi Omega, our symphony.'*

“ Kim was always so sweet and caring. She and I talked this year as we planned a Fortieth Dental Hygiene reunion. She offered to host but then her health changed and couldn't make the event. Everyone at the reunion had wonderful memories of Kim. She will be missed.
