“ *My Aunt Kim was a very special lady. She loved going to the lake to go swimming or just to hang out with family. She would come pick us up from daycare or wherever we were. She would take us shopping and let us stay the night. I remember when she had knee surgery I stayed with her and we ate a bunch of Drumsticks. I am going to miss her very much, I could talk to her about anything. It's not going to be the same without her. I know she is in a place with no pain and I will see her again. Love her always*
