“ *I just heard about her passing on Facebook through another Red Hatter. I met Charlene at a Red Hatter convention several years ago. I was recently single, and also experienced the loss of my father at the same time. I was in a dark spot in life at the time. She befriended me and welcomed me with opened arms. She always sent lots of mailings that came to me just when I needed them the most. I lost track of her when I got married, changed my name and moved. She was a gem and will truly be missed by so many because she was a vessel of love and joy to anyone who met her. I am so sorry for your loss.*

“ Words cannot express how much I am going to miss you. For more than 43 years we have been friends. Holidays vacations when we were on Strike, when my children were young and when my grand children were born you could always count on Charlene, you were always there, War Eagle, all the shopping. Then in retirement dinners you kept us all together, Charlene I loved you like a Sister. This July 4th will not be the same. One thing God wanted you and He did not want you to suffer anymore. You will always be in my heart, I love you Mary Jo and Frank and family.

“ I will miss you so much, years if memories. From my youth to adulthood....Most fondest memories are those family camping trips and the "yearly" KCPL picnics so much fun!! Beach Boys and Alabama concerts at Sandstone. No more pain you are free at last. Love Always Vicki
