“ I want to send my condolences to Larry’s family. I have the pleasure of knowing his daughter Cathy through working as her academic counselor in college. Cathy is one of the most beautiful, compassionate, and funny people I have ever had the pleasure of knowing. She is a testament to what an amazing man, father, and role model Larry was. The stories of Larry and their family Cathy has shared with me during our time together have often brightened my day!

Cathy, your father may no longer be with you here on Earth, but the love and memories will exist forever. He is at peace now.

Love you Cathy! Please let me know if there is ever anything I can do for you or your family.

*Warmest Regards,
Kendra*

“ Out of our 66 years, we knew each other at least 60 of them. We attended St. John the Evangelist grade school together & then onto Bishop Ward High School. Lots of childhood memories (even from college years). Rosemary, I've known you a few years less-he will be missed by all. Prayers for you and the girls he was so proud of.

“ *Rosemary, Patricia, and Catherine,
My heartfelt sympathies to you as you mourn the loss of a loving husband and father. I had the pleasure of working with Larry at the Argentine Station. Larry was always willing to help me when I was just starting out as a letter carrier. I fondly remember those days in Argentine.
May God grant you comfort and peace.*

“ *Larry, My friend, my mentor,
We worked together, we laughed together, we traveled together,
and shared life with so much of the good times. So much we did,
SO much we did not do that we had planned on. You took me under
your wing and taught me so much as a postal supervisor that
allowed me to excel beyond my dreams. I am proud to have known
you. Proud to be able to call you my friend. My memories of you will
never fade, and will always be of the good times we shared.
Working with the USPS, raising our children, and working with
NAPS we shared so much together that I will miss. I hope and pray
you are at peace and that your family will have the strength you
have always shown and taught me. I will miss you. Until we meet
again for a cold one and catch up on old times my friend.*
