“ It has been many many years since I met Larry (Johnson to us). I still think of him as a kid...Norma and family Gary Stroble and Gary- I am deeply saddened for you all. Just want to say I feel you on so many levels. May the Holy Spirit descend upon your family imparting the blessings of family togetherness and healing energy. Hugz to all.

“ Norma it is so hard to even find “words” at this time. I didn’t know Larry but I saw him in your smile anytime you mentioned him or your grandkids. We are more than work friends. I love you and miss you. Praying for comfort and peace for you and your families.

“ I knew you your whole life, was there the day you was born.

Such a handsome baby, child, young man and man!

You were so extremely intelligent, artistic, and talented at everything you set your mind to.

I've always loved you as your Aunt and were very special to me!

Loved that I was one of the few people that got away with calling you the nickname your Grandpa Jay called you, even as an adult!

You will be missed! I will love you forever, until we meet again! Love your Aunt Mikki
