*I have so many memories from hauling cows out of the back yard, to making wine out of the shed. To just growing up together. Not enough room to share all my mermories of Larry & I.  
You will be truly missed,

“ *What a shock! Jeannie and I will miss Larry's good humor and easy-going nature. When we first moved to Shawnee, Larry was the first "Hudson guy" we met. When we decided to see if we could get a Hudson Club chapter going in the KC area, Larry was the first person who responded. We visited frequently in those days leading up to the start of the Mo-Kan Hudson Family. He could always be counted on for support and enthusiasm. The Mo-Kan Family has gone on to become a fun, successful group and we always look forward to visiting with our Mo-Kan friends at regional and National events, especially the "old-timers". Larry will be fondly and frequently remembered by all who knew him. Sincere condolences to Peg. May God grant her strength and comfort now, and peace and acceptance in the future, until we're all together again on the other side.*

“ Larry, Peg, Stephanie and Richard and their kids have been in my life for over 20 years. Larry was always great for a laugh! He had me in tears from laughing so many times. I remember swimming in their pool when all the kids were little and needed water wings. My sons loved to check out the toy collection and Happy Meal toys Larry had. They are in their 20's now and still talk about that! Now, he has grandchildren on the way. I know he will be watching over them, and the entire family. He was an amazing man and I am so glad I had the privilege to be like part of the family. Rest in Peace, Larry. You are missed so much.

“ Thinking of you all and your families... I remember Larry and Peg always coming up to Maryville for the Annual Combs Family Cookout each year.. Never mattered what the weather was like you guys were always there.. Peg, you and Larry mean a lot to the Combs Family. Larry will be missed. He joined my Granny and my Grandpa who also passed this past year. Hope each day gets easier with your memories to comfort you. Take care - Wendy & Kimberly Combs
