“ *Since Laura joined DAR and the Carl Neiman Chapter NSDAR in 2005, she and I have spent many hours and many miles going to meetings around the state. I will greatly miss her companionship and humor. She was a valuable member of our chapter and a good friend.*

“ Laura attended my church in Mansfield. We all loved her dearly. My 8 yr. old grandson cried all afternoon Saturday, he was so sad. Your Mom was a special lady and gave 200% to everything she was involved in. Sorry we couldn't make it to her service, but please know it doesn't reflect on our love for her and how much we will miss her smiling face on Sunday mornings. Prayers to your whole family...she was so proud of you.

“ I never had the honor of officially meeting Ms. Findley, who obviously was a great lady. I was with her during her last moments here on earth and I'd like her family to know how sorry I am for their loss and I wish so much I could have done more. My prayers are with you today as you lay her to rest. God bless you all.

“*Laura was my DAR sister. She could always make me laugh. I always depended on her to pronounce the crazy Native American words in my various reports. She was the one I loved to set beside at meetings. I will always love her and keep a warm place in my heart for her. I know I will see her again someday. You are all in my heart and prayers. God bless you all and give you comfort.*

Laura and i were members of the Carl Neiman DAR Chapter. She was a wonderful and beautiful lady. She was our past regent plus last year and this year our program chairwoman. She got our chapter such interesting and educational programs because she knew everyone. Laura will be greatly missed. She will always be remembered for her smile and wit.

What a terrific mother you guys had. Thinking and Praying for you all during your loss. May God give you an extra portion of His comfort during these difficult days ahead.
