“ I worked with Lara in the early 90's at Bethany Medical Center. I was a fairly new nurse and started working nights in ICU. Lara quickly took me under her wing and showed me the ropes. She was an excellent teacher and friend. She always eased my mind with a difficult patient just knowing she had my back. Lara was my security blanket! She had such a sweet spirit that shined from the inside out. Outstanding nurse and mentor, but especially friend. She will be greatly missed by all who knew her. Glenda Feuerborn/ Kropf RN

“ To Laura's Family--

Laura was truly one in a million. My wife and I just wanted you to know how much she touched our lives. I was a patient of hers for many years and during that time she became a friend. She was there when my mother died, she was always there to listen and she had such a caring heart. If ever there was an angel here on earth, it was Laura. She was always there when you needed her, without fail. She will be greatly missed, but I know she is in heaven watching over us.

“ *A Thousand words couldn't begin to express my feeling of lost. Laura was more then just a cousin to me.. she was like a Lil sister. even though I was just 1 year and so many days older then her...our mothers were sisters and while growing up, her family and mine would spend our summers at fairyland park, boulevard drive in or simple sleep overs on weekends.. Sadly over the years, we lost touch with one another..but when our paths did cross again, it was like no time had ever passed and all was smiles and hugs..I will miss you cousin.*

“ Aunt Laura had a smile that would brighten a room, When I was a little girl that smile would make the whole world better. She was truly an remarkable woman. We may have not been close, due to families and children growing and just getting busy with life but I always held aunt Laura dear to my heart. Laura's mom Irene was one of my favorite women growing up, she was my everything and when she passed away Aunt Laura always told me how honored her mom would have been to know I named my daughter after her, which just made me gleem inside. I love and miss that sweet grandma Irene. The world and our family lost an amazing strong woman and we shall not say our goodbyes but say till we meet again my beautiful aunt Laura. Lots of love and hugs to my family I love you all so dear.
