“ *It was wonderful to see you and only wish it was under better circumstances. Your dad was truly a wonderful and caring man and always made me feel as such when we were kids. The first day I met your Dad and you filling in for for the Lil Apple basketball tournament, I remember him pulling me aside and telling me to relax and have some fun. He had a way of comforting even a kid surrounded by strangers.*

Our thoughts go out to you and your entire family. Please know that you all are in our thoughts.
