Maple Hill Funeral Home and Cemetery - December 14, 2018 at 07:47 AM

“ *Lawrence will be remembered and missed by so many! In his life, he stood for what was just and right and he always championed the underdog. His core was his belief in family! There was nothing that could stop him from supporting, encouraging, loving and keeping his children and grand and great grand children safe. I have known him since I was 5 and in all these many years, I always been awed by his humor, his love and support for those he called family. I wish the family love and comfort at this time, but be sure that he is protecting and loving you all still, just from a higher place.*
