“ *Where do I start? Our Uncle Lee was "Cool Uncle Lee", I don't care what issue was when we were kids (at a family gathering) he ALWAYS stopped his "adult time" to listen to our "world ending issue" and give us just the right antidote to cure the problem. When he sat to play his guitar I was in awe.. "Hey MY Uncle can duplicate a song I know or make the ones I don't look cool to play. Man I love this guy, Rest in peace my dear Uncle, give my best to Mom and Dad, and the next thunderstorm we get, I'll know you've got heaven jamming with you!!!*
