“ *A family member went to his garage today to have him take a look at his car. Someone there told him he had passed away on Oct 19th. We are just so shocked and sad. He was our mechanic for at least the last 20 yrs. The best mechanic and very fair! Always pleasant to talk to. Praying for family. So so sorry!!! Would have attended services had we known.*

“ Grandma Phuong please accept my condolences. Leonard was the best to our grandkids Jordan, Kennedy & Emersyn. They wanted for nothing he made it all possible. From time to time he would send us messages about being the best Grandparents too. When Kennedy was really little and they would go to Dollar General he told me she would point out things her Yaya would want lol. One time Kennedy came to my house with a pair of socks and said they were from Grandpa Leonard. He later explained that she made him buy them for me lol. He said she kept saying my Yaya would love them. He didn't want me to think he was crazy. He was an amazing man and he raise an amazing father for my Grandkids. Missy & Adam I know how hard this has been for you. Amanda I'm sorry for the loss of the best Dad. And to his siblings please accept my condolences. Leonard may you rest in peace. I would like to think my Dad was waiting to welcome you to heaven.

“ I was blessed to be able to call Leonard my friend. It started with a chance meeting at a hardware store. He caught me complaining about my car. As he did...he told me to bring it to him. From that point we became friends. He was an amazing man, always willing to help when he could. We bickered constantly, but it was all out of fun. Mostly about BBQ. I looked up to him, and looked to him for advice on many occasions. I love him, and will miss him until we meet again.
