“ Anna Palmer lit a candle in memory of LeRoy Alexander

Anna Palmer - November 04, 2025 at 03:53 PM

“ He was my entire 55 yrs of happy ,fun loving memories. Smoke bombs in the guttering on a summer day for practical jokes. Staying at his apartment on central Ave in an apartment he rented. Time with he and my cousin David in North KC. And 1 of the funniest was sending our dear friend Elaine into his room to piss him off. Crazy days and crazy nights. He lived with us a majority of my life. He loved my parents as they did him. Life will never be the same. To hear his laugh again. He was taken from us senselessly and I will always love you Uncle Lee. Im sorry life just got so busy after growing up and starting my own chaotic family. You won't ever be forgotten. We'll talk everyday as we have since your passing. Peace be with you and I pray you will still guide and guard myself and my family. I love you always and Forever.
