“ Oh Lesa I know your an angel in heaven, I pray that God will comfort your family. I know we didn't keep in touch, but that happens when we have jobs, and families and so on I remember acting goofy and laughing alot when we would hang out in Morris, that was so long ago, it was so funny when we found out we we're related some how, like second cousins. RIP Less one day we'll all see each other again. 😔❤️

“ Lesa I remember you as the sweetest little girl. You had an open honery attitude though that made you even cuter. I use to babysit you and Karen when you were little and we had some really good times together. I haven't seen you in alot of years but you have always had a special place in my heart!
