“ I was shocked and saddened to learn of Leslie's death. I have been her doctor for the past several years and whenever I saw her, we talked about her children. Please let them know how very much their mother loved them. My deepest sympathy to Leslie's family. She was a beautiful, generous person who will be greatly missed. -

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. “ To the Camacho family,
There are no words powerful enough to express sorrow for your loss. May you take solace in the great memories you have. May God grant you peace and comfort while the memories you cherish bring solace when you need it. May you always remember, "God is healing the brokenhearted ones and binding up their painful spots" -Psalms 147:3 With heartfelt sympathy and prayers Kathy, A Volunteer Minister

Though we will miss Leslie dearly here at KU, there is piece in knowing that she is free. She is flying on angels wings smiling down on each and every person that she knew and loved. My prayers are with her loved ones! May you all feel her warmth within your hearts each and every time you think about her. Take care!!! Tasha
