“ *Linda was quite a character! I knew her as a horsey gal, who always had a smile and a kind word. Her sense of humor was contagious, she was straightforward, and her love for animals, especially Gigi, will highlight my memory of her. My condolences to her family and close friends. Ride into the sunset, Linda!*

“ I am glad I had the opportunity to know and work with Linda. She was the person who would help you in anyway she possibly could. I learned so much from working with her in the warehouse industry and she was a great friend. She loved her family, friends, and her animals. My condolences to Dave and the rest of her family.
