I'm thinking about You Linda, and What a Loving Mother you were to your kids. My Heart is heavy today, knowing they and George are having a rough time missing you and wishing you were here with them. This is a terrible time for them now, and I Pray God will comfort them. I didn't get to see you much in the last few years, but it doesn't Lessing the sadness in my heart knowing you aren't with us today. I know where you are tho and I will see you someday.
