“ *The Father Loved*

*The time has come for his soul to depart
Our Father's body has lost his heart.
The Love and Joy that was once within.
Are no longer contained in a shell grown thin.
He lived his days each a different hue.
A piece of his heart left behind there too.
A smile, a twinkle of his eyes so blue.
They have turned to another that he always knew.
He has turned his face to the sky.
And his tears no longer fall at our cry.
The hand that touched our child's hurt.
The body that is tired from sweat and dirt.
His days, they passed on feet so swift.
We who are left feel pain in this rift.
But the days will come, they will wax and wane.
He left his heart in pieces to form a chain.
It will bind us together both family and friends.
A remembrance we have of this man who has been.
The body is gone, a thought in our mind.
His soul found peace in the Lord who is kind.
And when we think of him, pray let the wrongs take their rest.
In the earth where his body is laid in it's chest.
Give the good times wings like the soul that has flown.
And remember he loved you from birth to grown.*

I did not get to know him as well as I would like, but I do have good memories of the time I was in his life. It saddens me to know he has left.. but God shall hold him in good graces. Love you grandpa.
