

## Logan Alexander Aguilar

March 1, 1999 - September 9, 2025

Logan Alexander Aguilar, 26, whose quiet strength and gentle spirit touched everyone who knew him, left this world far too soon on September 9th, 2025. Logan was born March 1st, 1999 at Shawnee Mission Hospital. He is survived by his parents Louis Aguilar Jr. (Lisa) and Jacqueline Aguilar, grandparents Joann Perdaris, Glenna Morris, Louis Aguilar Sr. (Denise) and Gloria Aguilar, his brother Louis Aguilar III and sister Angelina Aguilar.

Logan “Logi-bear” Aguilar was a caring son, brother, nephew, grandson, and cousin who will be deeply missed. He grew up surrounded by a family who loved him. Family vacations to South Padre Island, Texas or Branson, Missouri were not the same or complete without Logan. We watched him grow into the humorous and positive person that we will remember him as.

Logan graduated from Shawnee Mission NorthWest High School in 2017. He had many interests after high school but nothing compared to spending time with family. He was an avid bowler who loved to meet with family on Saturdays regularly to bowl. Logan had a passion for rap artists and loved attending the shows and concerts when he could. He was beginning to record and produce his own music as well. He cherished his Dodge Challenger and his cat, Felix, both of which brought him comfort and joy.

A soul as kind as Logan’s leaves an imprint that time cannot erase. His presence was a gift of kindness and warmth. Even though Logan’s earthly journey was far too brief, his love and light remains eternal.

A visitation and memorial service to celebrate Logan’s life will be held on

September 23rd at Guardian Angels Church at 9:30am with Mass beginning at 11am. Luncheon to follow at St. Agnes Catholic School "The Alley" 5250 Mission Rd. Roeland Park, Kansas 66205.
