“ *I enjoyed singing in the choir with Lois at Lenexa Baptist Church. No matter when I saw her, her countenance always had a glow of true joy. She was a perfect example of Matthew 5:16. "Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven." Lois did "shine."*

“ John and Polly Dodson-We knew Lois from Oak Grove almost 19 years ago. What a sweet spirit and so loving while working with Awana children. Steve and Lois are friends we will never forget.

“ Lois was a Sunday School teacher, Awana Leader, VBS Leader, Training Union teacher, I'm sure one of my Nursery leaders to. She played volleyball with my mom and the amazing group of ladies they called friends. This evening at the visitation it dawned on me , i've never seen her with out a smile and the unique laugh she had. She was the kindest lady and I couldn't get the song "this little light of mine" out of my head tonight. I believe it was God's way of reminding us she is our "little light of ours". I know she's walking those streets of gold singing and praising her Lord.

“ Patient, kind, loving, soft-spoken...but strong in Christ. She was an awesome example for me of what a Godly wife and mother looks like. She touched my life, and I know she touched many others.

“Lois was always a great friend to Fritz and myself. She was one of the nicest people I have ever known. We had such a great time when all the family came to visit us in Yakima. We went camping, ate and had great fellowship. She was always an encourager and saw the good in everyone. She was a great christian testimony. We had a great time hanging out and eating mexican food and of course, popcorn. Lois will soarly missed by our whole family. It was our great pleasure to have known and be loved by Lois. We love you and glad you are home with Christ.  
Love Candy and Fritz

“I remember traveling from Illinois to Kansas when I was a kid. Lois and my mom would make tacos for supper and/or biscuits and gravy for breakfast. She always made it feel just like home. She really is one of the sweetest people I will ever know. Thank God for her children that are just like Lois! We will all miss her.

“ I only had the pleasure of meeting you once, while traveling through with Heather on our way to Ohio -- but was truly moved by your kindness and gentle spirit. Just being around you for that short amount of time, I know the world has lost some of its light now that you are gone. But I praise God that you are now resting in your Savior's arms, and free from the awful cancer. I am praying for your family to have peace as they deal with the sorrow they have in losing you - but I also pray that they take comfort in the fact that it's not goodbye and one day they will see you again! God bless you!

“ When I was a kid, I would always ask my Aunt Lois to play "the elephant song" on the piano. She would always oblige me. I never knew if that was the real name or not, but she knew what song I meant. She was always loving and thoughtful of others. She was a role model for me. A very classy lady and godly. She always made time for me and for everyone who needed her.

“ Although it's been many many years since we moved from Kansas City to SC; I still have many happy memories of the Sherill family and of Lois. I still remember her lovely smile and pretty dark hair. I remember how she loved the Lord and her family. I know she touched many lives, and I hope the Lord comforts her family as they have lost a beautiful sweet light on this earth.

“ *Lois, There is not enough space to write about 32 yrs worth of memories I have of you. You were my 2nd mother, and you helped make who I am today. I thank God he gave me the blessing to even know you. There was no greater Godly example than you, and I considered you an Angel even before God gave you wings yesterday. I loved that you were the only soul to call me Sara Bara, and I will miss your wonderful hugs. I will think of you always, and I can't wait til the day I get to run to you in heaven. You were there to kiss me, hold me, love me growing up from a baby until my 32nd yr when God took you into His loving arms. I love you Lois Ann, and I will take care of Julie Ann.*
