“ My deepest sympathy goes out to Lori's family. We worked together on the same shift for 6 years at the Argosy. She was a beautiful person to work with and be around. She will be deeply missed by all who knew and loved her.

My thoughts and prayers go out to her and her big wonderful family at this time.

*Sincerely,
Don Delich*

“ *When Haley was small Lori kept her when I worked. Each day when I got home Lori would have a full written log of her daily activities. It was so adorable, each thing she ate how potty training, what they played with, amazing. No one else ever spent that kind of time making sure I didn't miss out while I was away from my baby girl. Lori also spent so many evenings talking to me about life and offering comfort to a broken young lady. She really helped me gain much needed perspective in my youth. I feel blessed to have been loved by Lori and thank God for the open gates she walked through.*
