Connie & Louis:

It has been about 30 years since I last saw Lit'l Louis, he was 9 months old then, I watched him from 8 wks. old. I remember a beautiful happy boy who had such a willingness to bring happiness to everyone he saw, I am so happy he got to be in this world for 31 yrs., Connie I know you loved him with everything you could give him, whatever he needed and that makes you an exceptional Mom, although I cannot even imagine what you are going through, God is taking care of him now and no one can do it better than him, I know he had the best life he could have had and he now is resting in peace. I am so sorry for your loss and just wanted you to know that even after all this time I thought about him throughout the years and I never forgot about him. May he rest in peace and I hope you can find peace in knowing that there is nothing better than heaven for a sweet boy who grew into a great man.

*My Thoughts & Prayers are with you all,

“ *My heart just broke into pieces. Because the love and the support that went out to Lou and his family was/is unimaginable. We lost a great soul here on Earth, but Heaven gained a mighty Angel. Thinking of you all, Connie, Lou, Darren, Corrine and Chad, I can not imagine losing a child or a brother. You all have worked so hard and so lovingly, to make Lou's life the best that it could be. You all should know that you all have done such a wonderful job and we admire your dedication, your strength and your courage. He was a gift to you and to all of us. His gift of life will be an everlasting presence in our lives. May he continue to teach us the value of life and all that it has to give. Much love to you all and those that surround you.*
