You were a great person and dad. You were always there for your kids even when working all day. We love you so much and you blessed the lives of Uncle Bob and your old auntie. I will miss you forever and you always knew we loved you. Till we meet again in Heaven.

“ Luke was the kindest, loving, caring and tolerating guy I have ever known. He was like another son to my husband and I. He loved his kids to death and took good care of them when he was not at work. He was one in a million and will be missed forever.
